LAKES ENTRANCE SECONDARY COLLEGE

Parent/Carer Teacher Interviews – Tuesday 1st April

Interim reports for your child are now available. Through Compass, you can also schedule a conference appointment with your child's teacher. Parent/Carer Teacher interviews will take place on Tuesday, April 1, from 12:00 to 6:30 p.m. Additionally, we will be hosting Compass workshops every hour from 12:30 to 5:30 p.m. If you need assistance accessing Compass on your phone or navigating certain settings, please join us for a personalised workshop. There will be no normal classes for students on Tuesday the 1st of April.

End of School Term

A friendly reminder that on Friday 4th April, Lakes Entrance College will finish at 2.10pm, starting the school holiday period. To students who catch a bus, the buses will be collecting students at 2.10pm and dropping them at their designated stops earlier than usual. Parents/Carers collecting their child/ren from school, please ensure you are here at 2.10pm. We wish students, families and staff a wonderful holiday break, and we look forward to starting term 2 on Tuesday 22nd April.

School Dental Visit – Monday 31st March

Please be advised that the School Dental van will be in site on Monday 31st March for any students who have returned their forms.

Year 12 School Based Placement

Congratulations Aivah, for securing this great opportunity!

2025 School Photos

Annual school photos have been taken by Arthur Reed Photos. To view the images of your child and order photos, you will need to first register online.

1. Go to <https://order.arphotos.com.au> and enter the 2025 image code for your child (from their personalised flyer)
2. Tap on 'Add another child' to enter the image codes of any siblings
3. Fill in your email and mobile details and then review all details before confirming your registration

That's it! When 2025 photos are ready, you will be notified by email and SMS. Even if you registered last year, it's important that you do it again each year using your child's new image code to link their photos for the current year with your contact details. To ensure you are ordering school photos for the current year, **please wait for notifications that 2025 images are online before placing orders.** In the web shop you can view photos and customize your photo package; choose ANY layout, ANY image and purchase multiple digital image downloads. All photo orders will be sent directly to the address you provide when ordering. **REGISTER ONLINE NOW** to be notified when 2025 school photos can be viewed and ordered.

Basketball Skills Clinic held at Lakes Entrance Secondary College

What an outstanding inaugural session we had! A total of 35 students from St. Brendan's Catholic Primary School, Toorloo Arm Primary School, Lakes Entrance Primary School, and Swan Reach Primary School gathered at Lakes Entrance College for the first night of our Basketball Skills Clinic.

These students are either honing their basketball skills or mastering the fundamental techniques essential for active participation in the game. It was incredibly inspiring to see such passion and energy on our opening night, and we're excited to see even greater involvement as the program progresses. A

sincere thank you to all the parents/carers and children who have already contributed to the success of this initiative. The students are not only refining their basketball abilities but are also building valuable skills in teamwork, physical fitness, inclusivity, persistence, and

dedication, all while striving toward personal and collective success.

Additionally, we are thrilled to have five Lakes Entrance College students enrolled in the community coaching certificate program, who will be assisting me in leading these skills sessions.

For those who have missed it and are still interested in getting their kids involved, you can click the link to register.

Year 11 Psychology and Biology Overnight Camp 2025

On Thursday 20th March, the Year 11 Psychology and Biology students travelled to Melbourne for their overnight camp. During this trip, students explored applying ethical understanding to science-related issues and conducted a fieldwork investigation related to animal welfare, while developing a range of key science skills, including data collection, analysis and scientific communication.

Students learnt:

- An introduction or consolidation of Key Science Skills required for scientific investigations.
- Ways to understand and apply ethical guidelines and consider which ethical concepts relate to contemporary issues at the Zoo.
- How to analyse and interpret qualitative and quantitative data and recognise patterns, limitations, and make recommendations.
- Engage in critical and creative thinking while considering contemporary issues and solving problems.

Portlines Mailout Completion

Please be advised that this will be the final mailout of Portlines Newsletters to families. You will still be able to find copies of all Portlines editions through Compass and via Lakes Entrance College facebook page. Alternatively, a copy of Portlines can be printed to families at the General Office upon request.
